

1940 Dec 19, Schools have Christmas programs, Townsend Star

Canton District school will have a program and tree at the school house Saturday night Dec. 21st beginning at 8:15 o'clock. The public is invited and the teacher Mrs. La Vella Morris said "Santa Claus is coming down from the North Pole and will stop off at the Canton tree while making his rounds."

The Johnson school with the teacher Miss Genevieve Stubblefield in charge will have their tree and program on Friday evening, December 20th. They are expecting "Santa" to make a visit there also and invite those interested in the program to attend.
