ROSE SANZ--EDITOR SEPTEMBER ISSUE BY JOHNSON SCHOOL

The Johnson Newspaper

The other day our teacher asked us if we wanted to have a school paper this year. Of course we all cried, "Yes". We decided to issue it once a month, and, as the first month of school was almost over, we chose our newspaper staff and set them to work to edit our first issue of the Johnson News before it was time for the second issue. Our staff consists of:

DRY CREEK-JOHNSON CONTEST

We are having an attendance contest with the Dry Creek School which is taught by Miss Viola Barker. We have thirteen pupils, and there are five in that school. The attendance is figured on the per cent basis, so we are evenly matched. Three tardies count one per cent off, so we be unto one who is late or absent. His classmates will probably mob him. We need your help, Parents, to see that we get started to school in time.

THE 4-H CLUB

The Johnson School is very proud of the 4-H Club of this community and its wonderful achievements as exhibited on the County Achievement Day. We didn't know squash, and especially beans, grew that big. We believe if more boys and girls learned the things the club teaches, there would be many happier and more successful people in the world. So continue the good work, Boys!
